General and Revenue Departments

Sir,

5766 With reference to your docket No.7385/L.B.218-12-2 dated the 18th instant. observing that the financial condition of the District Board is not satisfactory to meet the cost of entertaining a caretaker on Rs. 5/- mensem for each of the Musafirkhanas at Tyakal and Sampangere and raising the pay of the sweeper at Chicktirupathi from Rs.4/- to Rs.5/- per mensem, I have the honor to point out that my entire proposal will cost the Board Rs.132/- per annum, which paltry sum the District Board will not grudge to expend when they realise that 3 whole-time servants are provided to look after 3 Musafirkhanas built at a heavy cost from the District Funds.

2. The provision of expenditure in excess of the estimated income of the Board during the current year is due to the large opening balance of Rs.40.000/- at the credit of the Board and

and the stability of its financial condition is noticed by Government in para 7 of their Proceeding No. 8851-64/L.B.233-11-2, --- dated 22nd May 1912 sanctioning the budget estimates of the --- current year.

3. As the District Board has already found means to provide in their budget estimates for 1913-14, for the pay of the servants in question, I request that Government may be pleased to accord sanction to my proposal with effect from 1st July 1913.

I have the honor to be,

Sir

Your most obedient servant,
